Glossary

In this project, we will conduct an analysis of the NBA's 2021-2022 regular season. This tab will provide details about the BI content, which will assist in navigation.

Menu tab

It allows viewing different tabs on a dashboard and navigating between them.

Teams tab

The panel displays the main statistics of a specific team selected in the 'Team' visualization.

Players tab

The panel displays the main statistics of a specific player selected in the 'Player' visualization.

The top teams

The panel displays the teams that had the best results during the season.

The top players

The panel displays the players who had the best performance during the season.
